

MAD DOG ATTACKS AND BITES MAN ON BROADWAY

Beaten from Prostrate Victim
by Laborer, Canine
Escapes.

Foaming at the mouth and growling, a big black dog ran through Forty-second street, running east, at 2 A. M. today, and attacked a gang of laborers working on the car tracks near Seventh avenue.

Naphtha Won't Do It All.

The soap must be good. P. & G. Naphtha Soap IS good.

Possibly you do not know how P. & G. Naphtha Soap does its work.

The way of it is this: The naphtha in it has an "affinity" for dirt. It breaks dirt into tiny particles, which are easily removed by soap and water.

In other words, naphtha loosens the dirt. Water carries it off. Soap and water, together with fresh air and sunshine restore clothes to their original freshness and beauty.

Naphtha, then, is valuable. It helps to make washing easier, because it loosens the dirt. But the real work of making clothes clean must be done by soap. The better the soap, the easier the work.

Right there is where P. & G. Naphtha Soap's superiority is proven. Clothes washed with "P. & G." are whiter, brighter, cleaner, sweeter than when washed with any other soap and the reason is simply this: P. & G. Naphtha Soap is better soap.

the laborer fought off the dog, and as he ran up the street they followed him. Henry Frieder, a clerk, of No. 792 Seventh avenue, was turning the corner, and the dog knocked him down and fastened his teeth in his side. Frieder fought to free himself, but the brute held on until he received a belt across the head from a shovel in the hands of one of the laborers. The animal then went on his way snarling and snapping and escaped.

Frieder was taken to Bellevue Hospital, and later in the day will be removed to the Pasteur Institute.

FELL WHILE ASLEEP.
Servant Found Injured in Yard of Employer's Home.

Catherine Daly, a servant, was found unconscious in the yard of No. 244 Amsterdam avenue, the residence of Mrs. Annie Minz, her employer, early today, and examination showed that

she had a fractured shoulder and ankle contusions and a possible fracture of the skull.

Mrs. Minz said that the girl had complained of the heat, saying she could not sleep, and the police believe she dozed off near the window. At the Washington Heights Hospital it was said that her condition is critical.
